Take your benefits with you
With the BlueCard® PPO and Blue Cross Blue Shield Global Core programs

What happens if you’re away from home and you need care right away? As an Anthem Blue Cross and Blue Shield (Anthem) member, you have access to care across the country through the BlueCard® PPO Program. This includes 92% of doctors and 96% of hospitals in the U.S.1

If you’re outside the U.S., you can use the Blue Cross Blue Shield Global Core Program. It gives you access to doctors and hospitals in over 190 countries and territories around the world.2

How to access care across the U.S.

- Call 911 or go to the nearest hospital in an emergency.*
- Go to anthem.com, log in and use the Find a Doctor tool to search for a BlueCard PPO Program doctor or hospital.
- Use the Anthem Anywhere app to search for a BlueCard PPO Program doctor or hospital. Get turn-by-turn directions to the nearest doctor, urgent care center or hospital.
- Call Member Services at the number on your ID card. They can help you find a doctor or hospital.

*You or a family member need to call the Member Services number on your ID card within 24 hours (48 hours for members in Indiana) after going to the hospital or as soon as you can.

Traveling?

Here’s what you need to know

- Before leaving the country, ask Member Services if your international benefits are different.
- Ask for approval before getting care. This is “precertification” and helps you find care covered by your plan. To see if you need precertification, call Member Services at the number on your ID card.
- Save money by seeing a BlueCard program doctor or hospital. You only pay your usual out-of-pocket amounts (such as deductible, your percentage of costs or copay). If you go to a doctor or hospital outside the program, you’ll need to pay the entire bill up front.
- Show your Anthem ID card so they can check your benefits and send us a claim for processing.

Remember to carry your ID card
The “PPO-in-a-suitcase” symbol shows you can get care from BlueCard PPO Program doctors and hospitals.
